# INTERNATIONAL CONFEDERATION OF CONTAMINATION CONTROL SOCIETIES

# ORGANIZATION POLICY

REF NO : #20241015

*Approved by Council of Delegates – October 2024*

---

## FOREWORD

The *Policy* should be used in conjunction with the *ICCCS Statutes* and the strategic business plan. The *Policy* contains detailed managing and governing positions of the association. Policy needs to be flexible and adaptable to changing conditions, and so it is adopted, waived, and amended by resolution of the Executive Board. *Policy* is also subject to review by the Council of Delegates and may be changed by majority vote of the Council. The *Policy* reflects ICCCS current practice, as well as best practices in the field of association management.

## SECTION I. OFFICIAL LOCATION

### DIVISION A

#### LOCATION OF ICCCS

The official seat of the ICCCS is registered in Zürich, Switzerland. To facilitate communication, the contact information for the current secretary is listed on the ICCCS website. The address of the secretary shall not be considered as the legal address.

### DIVISION B

#### ELECTRONIC ADDRESSES

The ICCCS primary e-mail address is [secretary@icccs.net](mailto:secretary@icccs.net).

The ICCCS website address (URL) is [www.icccs.net](http://www.icccs.net).

## SECTION II. VISION, MISSION, GOALS OF ICCCS

### DIVISION A

#### VISION AND MISSION STATEMENT

##### **VISION**

To serve as an international gateway to advance cleanroom and contamination control through leadership representation from national member societies.

##### **MISSION**

The ICCCS is an umbrella organisation for national member societies to encourage, support and stimulate international collaboration and cooperation in the development, application, education, training and standardisation of cleanroom and contamination control technology best practices.

## DIVISION B

### LONG-RANGE GOALS (ALL ARE OF EQUAL IMPORTANCE)

The long-range goals provide the direction that ICCCS will pursue to realize its vision. Contamination Control is applied in industries such as aerospace, microelectronics, pharmaceuticals, medical devices, healthcare and food.

#### **GOAL A: KNOWLEDGE EXCHANGE**

ICCCS cannot perform research but should be a platform for the publication of technical reports, articles and abstracts, including those submitted to ISCC symposia.

#### **GOAL B: STANDARDIZATION**

ICCCS maintains a close liaison with ISO Technical Committees, in particular ISO/TC 209 covering cleanrooms and associated controlled environments. The ICCCS will support ISO & regional standards activities related to cleanroom and contamination control. The ICCCS will support international as well as regional standardization activities related to contamination control.

#### **GOAL C: EDUCATION**

ICCCS is an organisation that promotes and provides accredited education and training on cleanroom and contamination control technology through its national member societies.

#### **GOAL D: INTERNATIONAL AUTHORITY**

ICCCS is an organisation that acts through national member societies and ICCCS committees in the development and application of cleanroom and contamination control technologies. The ICCCS will also offer technical commentary and scientific advice in support of regional and international regulatory bodies to update regulations, industry specific guidelines and cleanroom related reference documents such as ISO and other norms and guidelines.

#### **GOAL E: NETWORKING**

ICCCS creates networking opportunity for the member societies and those involved in contamination control.

#### **GOAL F: EXPANDING THE ICCCS WITH NEW MEMBERS**

ICCCS will encourage and support the formation of new national societies and join the ICCCS.

#### **GOAL G: SUPPORTING YOUNGER GENERATIONS**

ICCCS will encourage and support young professionals; not necessarily young as an age but young in the field of cleanroom and contamination control.

## SECTION III. NONPROFIT, LIAISON ACTIVITIES, OTHER ORGANIZATIONS

## DIVISION A

---

## NONPROFIT

ICCCS is established under Swiss Code of Civil Law as a nonprofit association. The organization will act in the best interest of its members and will not engage in activities in competition with, or to the detriment of, the member societies it serves.

## DIVISION B

---

### LIAISON ACTIVITIES WITH OTHER ORGANIZATIONS

1. ICCCS is an autonomous organization. The organization's statutes and local legal regulations take precedence in any liaisons or activities with any other organization.
2. Individuals who wish to act as a liaison between ICCCS and an external organization shall provide timely notice of their activity to the ICCCS Chair and to the ICCCS Secretary who shall be the communication links to the Executive Board.
3. ICCCS will not fund liaison activities without the advance approval of the Council of Delegates.
4. Individuals wishing to be liaisons on behalf of ICCCS shall provide the following minimum information regarding the activity:
  - a. Purpose of activity
  - b. Scope
  - c. Planned activities
  - d. Anticipated value to ICCCS
  - e. Cost
  - f. Commitment (time, resources)

### RELATIONSHIP BETWEEN ICCCS AND OTHER ORGANIZATIONS

#### 1. International Organization for Standardization (ISO)

ICCCS has a registered liaison with ISO Technical Committee 209, Cleanrooms and associated controlled environments. The ICCCS Secretary provides a report during the annual ISO/TC 209 Technical Committee meeting. There are no fees paid for the liaison. However, it is recommended that the hosting nation for the ICCCS Symposium provide meeting space for the ISO/TC 209 Technical Committee plenary meeting and associated Working Groups in order to facilitate attendance by delegates at both ICCCS and ISO/TC 209 meetings. The hosting country is encouraged to seek sponsors to facilitate a dinner for the delegates on the evening of the first day of the ISO/TC 209 meetings.

The ICCCS will encourage member societies to participate in the ISO Technical Committees (ISO/TC) such as TC209 through their national standards body. ICCCS will provide technical support to ICCCS society members that are experts in various international liaison organizations.

## SECTION IV. MEMBERSHIP

### DIVISION A

#### NATIONAL SOCIETY MEMBERSHIP

1. Conditions for membership by national societies are detailed in Section II of the Statutes of the ICCCS.
  2. Only one delegate per country is allowed to vote on the Council of Delegates, name of the appointed delegate to be registered in advance.
  3. When there is a society that represents a recognized combined region of countries, there will only be one Delegate representing that combined region or countries. Any other delegates representing that region of countries are to be registered in advance by their Head of Delegates.
4. Membership by more than one national society per country is not permitted without the consent of the existing national member society.
- a. Such consent should be submitted with the ICCCS Secretary.
  - b. Only one delegate per country (not per society) is allowed to vote on the Council of Delegates;
    4. c. Other members from combined regions may attend as Observers, but only with prior registration and acceptance,
    5. Any person designated to represent the ICCCS in its international programs must be from a member society and approved by that society to act on their behalf.

#### CONDITION FOR MEMBERSHIP

1. Only societies for the promotion of contamination control techniques and their applications in the domain of cleanrooms and associated controlled environment can apply for membership.
2. The members vest their membership through one voting delegate who must be designated by name to the chairperson and act on behalf of the national member society.

#### MEMBERSHIP APPLICATIONS

The application for membership must be made to the chair and secretary in writing. The CoD delegates decide ultimately on the acceptance by a majority decision. The application can be rejected without reasons being given. The ballot results will be shared with the applicant society, and upon approval, the process will be communicated to the ICCCS

#### TERMINATION OF MEMBERSHIP

National Member societies have a duty of care to follow the principles of Not for profit, Non-partisan and Open to all members in their country/region. In the event that a national member society consistently acts in a commercial and restrictive manner, the Council of Delegates may decide by a two thirds majority decision to suspend or expel a member.

## DIVISION B

### DUES AND FEES

1. Dues are decided by the budget approved by the COD each year.
2. Dues are nontransferable.
3. Dues are nonrefundable, except as permitted by the Council of Delegates.
4. Members that join during the year are exempt from paying dues until the next dues period.
5. Invoices will be sent in January of each year for that year's dues.
6. ICCCS Executive Board members who earn payment for services may submit the annual invoice from the member society and subtract the dues owed. Notice to the Treasurer is required during the invoice period.

## SECTION V. 50 YOUNG PROFESSIONAL PROGRAMME

### *50YP (YOUNG PROFESSIONAL) PROGRAMME*

The 50YP Programme is an Executive Board initiative formed in recognition of ICCCS' 50-year anniversary. It is a 50 year strategy to be executed the development and growth of the ICCCS. Its two purposes are:

- 1) to encourage and support new members, and new member societies to be formed and join the ICCCS family and community of cleanroom and contamination control national societies
- 2) to encourage young/new professionals in the field of cleanroom and contamination control to become active and be a voice in their national societies.

The 50YP Programme gives seasoned professionals a voice and the opportunity of experienced professionals to give back some of their technical knowledge, experience and guidance to support "new blood" and to volunteer in national member societies so that these seasoned professionals can become involved and be new experts in technical committees in their national societies, regional and international organizations.

50YP members must be nominated by their national cleanroom societies. Membership is open to all young professional in countries where there are no national member societies.

To support the 50YP members being involved in their national cleanroom societies, 50YP members will be invited to shadow key positions in the Executive Board (Chair, Secretary and Treasurer) and the chairs of the 4 four committees (ITC, IEC, ICMS and ISEC). In order to protect any sensitive information, the Executive Board and Committees may hold certain parts of their meetings as executive sessions, with committee members only, i.e. with shadows absenting themselves.

The 50YP Programme will be led by a Convener who will report to the Executive Board but supported by the ICCCS committees, in terms of technical training and soft skills in management, as part of their volunteer work for national member societies.

The 50YP member structure and operating procedures will be agreed by the IEB.
